Minute for Mission: Millie lives in Edmonton, Alberta. Today she is thankful to have a home, health and one year of sobriety. Two years ago, Millie was facing eviction and homelessness. Without Bissell Centre's hot meals, Millie would have gone hungry; without help from their caring staff, she would have ended up back on the streets. Millie has battled addiction, violence and poverty all her life. She grew up in a turbulent, sometimes violent household. At 24, Millie fell in love, got married and had two children. After a few years together, her husband's behaviour became all too familiar. He had an alcohol addiction and was becoming increasingly violent. Millie started coping by drinking as well. Soon, she was forced to pack up her kids and move into her car until she could get into a shelter. Life as a single parent was never easy, but Millie was determined to give her kids a good life. Millie and her kids have had many successes together, but sadly, the pain of Millie's childhood and married years was always there in the background. Two years ago her rent was raised unexpectedly and she was struggling to put food on the table. Bissell Centre's Community Bridge program helped Millie with rent and utilities in time of emergency. *"I was so incredibly relieved to get help and not be struggling by myself anymore. Now I have a safe home to go to every night, and for that I'm so grateful,"* says Millie. Bissell Centre is one of the many community ministries across Canada that is supported by Mission & Service.

Project Grace is offering Swarovski Crystal Starfish Necklaces at \$35 each, to support the After School Music Program for children. Order online at www.projectgrace.ca or use the paper order form on the bulletin board outside our church office.
