

Life and Work – May 15, 2022

Office Hours: While we carry out our search for a new Office Administrator, volunteers have graciously come forward to fill in for the interim. During this time, the hours are Monday to Friday, 10:00 am to 1:00 pm.

AOTS: A reminder that our monthly dinner meeting will be held on Wednesday, May 18th at 12:30pm with the meal being served at 1:00pm.

Ocean Sunday: On June 12, the Social and Eco Action Committee are facilitating a worship service dedicated to our oceans. Here are some interesting facts:

1. Oceans cover more than 70% of the Earth's surface. Only 5% of these vital marine environments have been explored.
2. The majority of life on Earth is aquatic, an incredible 94% of Earth's living species living within the oceans
3. The world's longest mountain chain, the Mid-Ocean Ridge is almost entirely underwater and is 65,000 kilometres long.
4. It's estimated that 70-80% of the oxygen we breathe is produced by marine plants, mostly marine algae.

Pub Theology: On Wednesday, May 18 at 7 pm at Guv'nor Pub. Come with your questions and thoughts about faith, spirituality, and life's big questions.

Weekly Fellowship: We are hosting our weekly tea and coffee following the 11:00am Sunday worship service. After such a long time not being able to see one another regularly, it is important to create opportunities to get together. So if you can, bring a mug with you so we don't have to use too many disposable cups, and we'll have a mug up after Sunday morning services in the Fellowship Room.
